Counter protest stopping trucks

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/13/2022 2:33 PM

whach... the cops will get the counter protesters to move as if they are in the wrong

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 2:35 PM

Is that Councillor Brockington's ward? Do you need to give him the heads up?

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 2:36 PM

We're hoping for the best but paramedics, Fire, and Hospitals have all been alerted and are monitoring.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/13/2022 2:36 PM

Thanks...

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/13/2022 2:37 PM

Was it a slow moving convoy?

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 2:39 PM

Correct. It was the slow moving convoy from Conventry. They had been advertising this route down Riverside so not a secret.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/13/2022 2:46 PM

Told you what Police would do!

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 2:46 PM

Yup.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 2:48 PM

But it looks like Police have shut down Riverside near Smyth. So, the convoy actually has been blocked a bit. I don't think what was there presented the full convoy.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/13/2022 2:48 PM

okay

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 2:49 PM

The City can't live like this. It's sad.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 2:53 PM

Joel Harden on Twitter: "Enough. The beginning of the end of the #OttawaSiege starts now. Come join us at Bank/Riverside and Bronson/Fifth. We are peaceful but also fed up. <https://t.co/oLIRh5YWGc>" / Twitter

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 5:38 PM

Kim - counter protest at Bank and Riverside bigger now. Menard in it, apparently.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/13/2022 6:13 PM

I will call you in a few minutes about something else

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 7:11 PM

CAM48.... Police telling me they are trying to get protesters out of cars. PLTs trying not to have things escalate. Looks not great on the camera though.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 7:15 PM

Pat King encouraging protesters to go there. Police sending Public Order Unit.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/13/2022 7:53 PM

FYI,,, need 2 questions answered for Council tomorrow...

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/13/2022 7:54 PM

1. Can we get a real good idea on how Toronto used the tow trucks and how many they had available to them?

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 7:54 PM

Yup. This should be an easy one.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/13/2022 7:55 PM

2. Did we call all tow operators locally and what was the result of the tow truck contacts supplied by Mayor Tory to Mayor Watson?

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 7:57 PM

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 7:58 PM

I was told we called everyone in this list, plus a few more that we had provided licences too, and that we knew had big tow trucks.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 7:58 PM

The EOC did not call any of the Toronto companies provided by Mayor Tory because the Police asked us to hold off. They were pursuing some leads.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/13/2022 8:00 PM

Please follow up with Police cause this will certainly be asked tomorrow and we could look foolish.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 8:04 PM

This came up through the EOC: "One of our paramedics needed Peer support last night because he was scared of going into the perimeter and getting racial slurs."

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 8:05 PM

I have been told that the individual got the support they needed. This is terrible though.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 8:34 PM

Hi Kim - the guy at Police who was in charge of towing issues is not working today but will be back tomorrow. But, they don't think he reached out to the towing companies in Toronto for a couple of reasons. Primarily, because they found a company in Montreal willing to supply 10 tow trucks and it is closer. Also, they are writing contracts for 2 operators capable of driving our OC Transpo trucks.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 8:34 PM

I will still try to confirm with the guy before Council tomorrow.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/13/2022 8:35 PM

OK it looks like the council meeting isn't till Tuesday now so that buys us some time.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 8:36 PM

Now that info has been shared with Council, is it more open (re the plan)? I know that NCRCC is already quietly planning....

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 9:04 PM

Ugh. I talked to Toronto. 🤔

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 9:04 PM

You called it. They were reaching out to offer their expertise.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 9:05 PM

I asked about the tow trucks. They say that Mayor Tory may have got it wrong.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 9:05 PM

They say they have their own tow trucks and they believe they used those. They are verifying for me.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 9:12 PM

Ok. Toronto just called me back. I actually feel gross after talking to them. They said that they were surprised we didn't need their EOC expertise. Yuck,

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 9:12 PM

Anyway, they say that their police have their own tow trucks but for small vehicles only. I think they were able to use those for passenger vehicles.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 9:13 PM

Then, they have 3 standing offers with 3 companies. They paid them something like \$21K to be on stand-by. All companies agreed to support. Some got threats afterwards but they don't appear to be too concerned.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 9:13 PM

Toronto claims that they already asked the companies to support Ottawa and they said "absolutely not".

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/13/2022 9:37 PM

LOL

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/13/2022 9:37 PM

Thanks Beth...

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 11:03 PM

Hey - the RCMP make that map and they say that they don't have other that are better/clearer. We're asking if they can zoom in at least, as there is a lot of dead space in the version I sent you. At the same time, we're quickly googling to see if we can find a better map that you can use as reference. Stand by....

Hey! I was just informed that a section within the EOC is producing a better map for you. They say it will be ready in 45 minutes. Hope that is not too late.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/13/2022 11:38 PM

It will be clearer, more zoomed in and have the red zone etc.
